COUTURE

2021-2022
STOCK PROGRAM USA
COUTURE Jardin is a family-owned company of contemporary outdoor furniture, it was founded in 2009 by Canadian designer-entrepreneur Normand Couture and his son, Philippe.

During school breaks, Normand’s son would often work on dad’s upholstery line in Montréal, little did anyone know at the time, that he would eventually join his father 10 years later.

Philippe came on board as the CEO of COUTURE Jardin relocating the whole operation to Florida, USA, to better serve the fast growing company.

Today, as a father and son team, we can pride ourselves for having established a significant brand highly esteemed by contemporary design addicts worldwide. We are sharing, together, our passion to deliver, in a timely manner, authentic designs of high quality at a fair price for both residential, commercial and hospitality markets.

While we cannot talk about tradition yet, we can surely envision the next decades with a great enthusiasm, seems like...a tradition in the making!

The company is headquartered in Fort Lauderdale, Florida with showrooms and warehouses in North America and Asia and great people to take care of you.

COUTURE Jardin owns numerous design protections worldwide and preserve his intellectual property.
Unique styling and attention to proportions are key ingredients to good design. If it makes you feel better, then it is great design.
Indoor meets outdoor with HUG, at the very first sight you already feel comfortable and ready to enjoy free time with your loved ones or... why not alone! Finely dressed with unique fibres HUG conveys an immediate sense of happiness just waiting for you...
Our new Pavilions are truly unique, as part of the HUG Collection they can either complement other seating units or be complemented by them... a bit mixed-up? Well, put simply, you can create infinite seating areas with Pavilion as an anchor and escape from home in a minute!
PRODUCT DETAILS:
- Contract-grade welded aluminum frame;
- Tiger brand powder coating frame;

Costumelex
This is a 100% solution-dyed acrylic fabric, that is water and stain repellent, weatherproof and with a 3 years warranty. Costumelex is incredibly easy to clean. Therefore, you can be confident your furniture will look stylish season after season. Regular cleaning using a soft brush or sponge with a neutral PH detergent is recommended. After cleaning, rinse abundantly with clear water before storage. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Serge Ferrari textile
Serge Ferrari textile is a combination of sheathed and high tenacity synthetic yarn. It has a soft touch that is durable and weatherproof with a 5 years warranty. Regular cleaning using a soft brush or sponge with a neutral PH detergent is recommended. After cleaning, rinse abundantly with clear water before storage. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Max rope
Our Max rope is a combination of woven polyester fabric, water and stain repellent, weatherproof with a 3 years warranty. Regular cleaning using a soft brush or sponge with a neutral PH detergent is recommended. After cleaning, rinse abundantly with clear water before storage. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Quick dry system
Our quick dry system foam allows you to enjoy your furniture almost right after the rain, while others must wait! This open cell foam offers exceptional air flow and water drainage. There is a mesh on the bottom of all our cushions that let the water drain easily avoiding it to be trapped inside and providing air flow. The water flowing faster, out of the cushion, is key to avoid any moisture or mildew. All furniture can be cleaned easily with water and ordinary household cleaners. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Ceramic-coated glass
This tempered glass has a baked-on ceramic coating to ensure perfect adhesion and longevity. This application leaves the surface with a distinctive textured pattern virtually eliminating fingerprints. In addition, the UV proof table top is less reflective than polished glass. Wash with a mild cleaner and soft cloth.

Axvision
100% bleded polyester fabric, water and stain repellent, weather proof with a 3 years warranty. Regular cleaning using a soft brush or sponge with a neutral PH detergent is recommended. After cleaning, rinse abundantly with clear water before storage. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Some of our textiles are Sunbrella fabrics. These fabrics have been developed especially for outdoor use and are made of yarn-dyed acrylic. His unique coloring process guarantees optimal color-fastness. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

CoutureTex
tex
CoutureTex is a combination of a woven solution-dyed acrylic. This weatherproof material withstands changing weather conditions. It’s UV-resistant and dries quickly after getting wet, which makes it ideal for outdoor use. It’s easy to maintain and can be cleaned with ordinary household cleaners. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.

Outdoor wicker

ALUMINIUM POWDER COATED
Our aluminium furniture is lacquered using the powder coated finish. The electro-static application method ensures 100% coverage of the alun surface area and provides a consistant and tough finish. The resulting powder powder-coated surface is flexible and thus knock and scratch resistant, impervious to moisture, highly resistant to corrosion and easy to clean.

Ceramic-coated glass
High pressure laminate is perfectly suited for outdoor use. It is resin-impregnated and compressed under high pressure creating a strong top with a scratch-resistant surface. These table tops basically require no maintenance and can remain outdoor all year round. Compact laminate will naturally fade slightly at the edges over time. In order to maintain the deep black color, the edges can be refreshed up by rubbing linseed oil on them. It is recommended to store your furniture under covers in winter or when not in use for long periods of time.
